# ROYAL Trophy

A challenging motivation for your team...

The Château Hôtel Mont Royal and the Chantilly forest set the stage for an unforgettable and unique experience.

A professional team will be at your service to ensure a successful event.

This is the ideal tool for the development of a collective strategy, applying tailor made pursuits of unusual and simple situations to test the reactive skills of your team, in order to compete for the maximum amount of reward "Layors".

Instinctive key elements test the teams' performance based on reflex, focused analysis, the speed of response and ability to adapt. A catalyst of intelligent reflex and emotional engagement.

Create your own personalized program: The Lookout-man, The Spider's web, Big bang, The Gold-washer, Family portrait, Special slalom, The life saving operation, The key of words, Santa Claus, etc.

#### Supervision :

Foresee a coach per 10 people maximum.

**Price proposal available on request**  
(based on a minimum of 10 participants.)

With the help of your "technicians" you will have to conquest the "Layors" of the contaminated zone. A delicate mission, but not impossible!

Fresh air is needed  
for your company's performances.
